Mae's Flower

Dear Virgin Territory,

How right you are when you say Mae (in the June '15 issue) has a dream cunny! Mae's innie slit is the stuff wet dreams are made of. I was sure I'd never see her in your magazine again, so I was thrilled to find her in the centerfold. I have been enchanted with her ever since the first time I saw her.

Mae isn't just all looks either. I have all her movies, and she truly loves sex. I never get bored of watching her fuck. Whoever ends up with her is a lucky man because she seems insatiable when it comes to cock. I blow the biggest loads whenever I watch her. Part of me hopes that she will see this letter, but I know that likely never happen. But I am happy to give her praise and hopefully have it shared in your mag.–R.R., Toronto, Ontario, Canada

Dear R.R.,

Mae is a great model. We couldn't resist featuring her one more time. Glad you enjoyed it.

Mae has a pretty pussy and butthole, and she loves to fuck. It's easy to see why readers love her.

Mad for Maddy

Dear Virgin Territory,

I really enjoy looking at Maddy's shaved twat. I love watching her finger-fuck the pussyhole. I would love for Maddy to pull those fingers from her pussy and stick them in my mouth. I know that I would want to eat her pussy. I thumb through Maddy's pictorial, and I look at her and want to jack off and blow a hot load of cum all over her beautiful face and have it run down her chest.

Our birthdays are on the 21st of the month. I just want to lick every last square inch of Maddy's body. I came in my shorts when I looked at her juicy, wet pussy and parted pussy lips. My mouth started getting wet thinking about things I want to do to Maddy. My cock stands up at attention when I look at naked pictures of her. I would love to see pictures of her sucking a big and meaty beefy-fat cock. I would love seeing her take it in the asshole and pussy.–B.H., Dyer, Indiana

Maddy shows us how a spread pussy photo is done.

Dear B.H.,

Maddy didn't do any anal for us, but you'll get to see her fuck soon. If you'd like to see her XXX action on video, check out Flat & Fucked 8, *which you can order on page nine.*

Better Photos of Alex

Dear Virgin Territory,

In my opinion, Alex is one of your hottest models, so I was a bit disappointed by her layout in the June '15 issue. Only six pages long and hardly any photos of her sexy body or juicy pussy. The only times we do get to see her pussy there is a big dildo blocking the way. I'm not one for the dildos and vibrators, honestly. I think you could have done better with her. If you feature her again please show some full-body, head-to-toe photos so I can really admire her. Spread pussy and butthole

shots would also be appreciated. These are the kinds of photos I like to see, not super close-up, chopped up body parts, or body parts that are blocked by clothing or dildos.–W.S., San Bernardino, California

Dear W.S.,
Sorry that you weren't happy with Alex's layout. For more shots of her body, you can take a look at her previous solo pictorial in the Nov. '14 issue, available for order on page 11. We've also included a bonus photo that we hope makes up for her last layout.

Pseudo Sisters

Dear Virgin Territory,
I have an idea for a feature to do in your magazine. How about girls who look like they could be sisters or girls who resemble celebrities? I think it could be a fun thing to entertain your readers. For example, Faye Regan (Aug. '08) and Holly Hansen (March '11) look like they could be sisters. So do Charli Maverick (April '15) and Sweet Sindy (Jan. '13). Something about your bushy model Bonnie (Feb. '12) reminds me of Nicole Kidman, and Courtney looks like Jessica Alba (Jan. '11). Looking forward to seeing this implemented on your pages.–F., via email

Dear F.,
That's a great idea. We'll keep it in mind for the future. And for fun, we included photos of Charli and Sindy to show their resemblance.

Coveting Layla

Dear Virgin Territory,

Little Asian hotties are my favorite, and Layla may be one of my top girls now that it seems Alina Li has (hopefully temporarily) retired. I like to pretend that Layla has a dumb, immature boyfriend her own age who doesn't know how to properly pleasure her pussy. He doesn't eat her out and cums in two minutes when he fucks her. As a result, she is neglected and craving some real loving. That's where I step in to show her how amazing sex can be with the right person. Pleasing the woman has always been my priority.

I get Layla alone and the fun begins. I make sure to touch and kiss her all over to get her really turned on before I even touch her pussy. It's the best when a girl's pussy is wet before she even takes her panties off. After teasing her almost to the point of cumming, I'd begin my oral journey into her pussy. Her dark lips turn me on so much, I'd delicately lick and suck her purple flower until her juice was dripping off my chin and making a puddle in the bed. I'd finger her and lap her up, giving her the kind of licking she's never had before, especially from her guy.

I would push the tip of my dick into the

J.V. fantasizes about being the other man to please Layla.

entrance of her pussy, leaving it there to tease her for a bit, then thrusting in to the hilt. I think missionary is an underrated position, and I'm make sure to get my fill of it before flipping her over for some doggie-style, then getting her to ride me. I'd give her just the right amount of pounding and going slow, making sure she cums at least twice before I blow my load inside her. Then she can go home and fuck her guy while thinking about me.–J.V., Portland, Oregon

Dear J.V.,

That's a hot little fantasy. There's nothing like being the other man to satisfy a girl in an unhappy relationship. If you'd like to see Layla's scene from the June '15 issue on video, check out Flat & Fucked 8, *available on page nine.*

Lizzy's Queen of the Babes

Dear Virgin Territory,

Thank you for all the babes in the June '15 issue. I love all the cotton panties, tiny tits and tight bodies. Alex is a beautiful redhead with a great body. Maci is the cheerleader slut of my dreams. Mae has a delicious pussy and a cute face. Jenna is a naughty girl-next-door who should be covered in cum. Layla looked delicious taking on that dick. Blondie Alina has a look in her eye that makes me want to fuck her hard. Ariana is just plain beautiful.

My favorite model in this issue was Lizzy. That tight body of hers would look great bouncing up and down on my cock, and I'm sure that pretty pussy of hers would fit like a glove around my tool. You featured some good spread pussy and asshole shots of her. Can't wait to see this little hottie get fucked. Please pair her with a nice, big, fat cock.–T.K., Boulder, Colorado

Dear T.K.,

You will see Lizzy with a big cock soon. If you can't wait, check her out in Fuckin' Nerds 2, *available for order on page nine. Be sure to check out her solo pictorial in this issue on page 29.*

AUBREY
Graduating to Cock

How was your high school experience?

"It was lame. I was too focused on studies and I didn't have enough fun. I was valedictorian of my class, so you can imagine how much time I spent studying and doing homework. I was horny all the time but felt that I had to live up to my parents' expectations of being a perfect student. After I graduated I decided that I was going to have fun, and boy, I sure made up for lost time. Now I'm finally getting some dick!"

Did you masturbate a lot?

"Oh, all the time! I thought something was wrong with me because of how much I masturbated. I didn't realize that those feelings were normal. It would interfere with my studying. I'd have to take a break because I'd be so distracted, then I'd end up playing with my pussy for an hour and cumming really hard like three or four times."

So how much sex are you having now?

"Not as much as I'd like, but still on a pretty regular basis–like once or twice a week. I've had sex with three guys now, and the most recent one has been the best. I'd fuck him every day if I could, but he's a firefighter so he works a lot. The way he works my pussy with his tongue and his dick–I never knew it was possible to feel that much pleasure there."

Back to School

Bet you never knew any chicks like THIS in school...

By Payton Parker

The carefree days of summer may mean a slow end to bikinis at the beach and short-shorts around the food court as young ladies head back to the hallowed halls of education, but it is a time of year that calls for nostalgia. Recently, I got three former high-school hotties together to reminisce–with extremely sexy results.

Prom Night

The intriguing opening line to Denise's email–the one that made me seek her out for this story–was what hooked me:

"I'm the girl you read about on the bathroom wall…" she wrote, "literally and figuratively."

Intriguing, right?

I had to learn more. Turned out she took a tiny bit of license, but her story was hot and the way she twisted the email was creative. I had to admire it. Tall and pale, her initial photo had pictured the brown-eyed beauty with long, auburn tresses spilling out from an updo and a slinky turquoise gown–it was a shot from prom night.

When we caught up with the two other girls–in keeping with her boldness–she told her story first, whetting everyone's appetites (and perhaps wetting other things) for more. Her assertive sexiness was the lube necessary to get the shier girls talking, and her sassy-cute short haircut was a sexy surprise. She said she thought it would make her appear more mature. Now in college, she was on the hunt for older men.

"But back in high school I was like most girls, hot for the captain of the football team. I guess what makes me different is that I also wanted to fuck the head cheerleader!"

The other girls gasped, but leaned in. She had them hooked. They wanted more and she leaned in close, too, her sexy lips–naked save a bit of clear gloss amplifying their fullness–parted and she spoke.

"It was senior year. I was a cheerleader and so were a few of my best friends. One of them, though, Lara, was kind of a bitch. She was brunette and lean and sexy as hell, though. High, little titties–and with super-sexy nipples. I remember I got to see her in the locker room. She wore these tiny, little panties so I could just imagine how small and pretty her yummy pussy would be underneath. I'd never gotten a peek at the pussy but there was just something about her–even though I didn't much like her–that made me want to fuck her so good she'd fall in love with me. I wanted to watch her face when she came while I ate her."

"Why would you want to make someone you didn't like feel good?" asked Kacey.

"You know, I'm not sure. I'm definitely the opposite with guys. Maybe I want to take them down a peg, knock the 'mean girl' out of them for the benefit of society."

We all descended into a bit of laughter at that one. Who, after all, hasn't met a mean girl?

"Anyway, she didn't like me. Because her boyfriend, Terry–our school's Jock-In-Chief–had a thing for me. He wanted me bad. I was as tall as he was and just as confident. He liked my long legs, my long hair. And I knew it. And I teased him. And we joked around a lot in a way that he and Lara didn't. Also, her

mean girl power was useless against me. I didn't give a shit if she or any of her dumb friends liked me. Neither did he. If she had dumped him he wouldn't have cared. Fuck, he probably would have asked me out five minutes later. But because of that, Lara was way into him. I swear, why do so many pretty girls have low self-esteem?"

"You're getting off topic," said Larissa, eager for more details.

"Right!" she said. "Anyway, it went down almost like one of those cheesy high school movies on the Disney Channel–except everyone was mostly naked at the end, we were having sex and we were in a hotel ladies' room." She chuckled.

"…It was prom night. The school had rented out space at the nicest hotel in our small town. It wasn't anything crazy-posh, but it was pretty and everyone was excited about it. I was wearing this beautiful blue-green dress I'd saved up money for. I had seen it over Christmas and put it on lay-away.

"It was low in the back, halter-tied at the neck and had a cut-away spot between my boobies where you could see my skin and the curve of my full Bs. It pushed them together in a way that made everyone look just a little longer than they needed to. I didn't bother wearing a thing underneath it. I didn't want lines to show and that was turning me on, too, making me feel sexier. I think it must have showed."

About two-thirds of the way through the dance, her confidence got the better of her. She'd been watching Terry–mostly goofing with his friends–and the idea of pressing herself against him was foremost in her mind. School was almost over. May as well have her fun and maybe shake a little drama into the dance. Lara was on the other side of the room with her hens. Denise strode right up to Terry, took his hand and led him out on the floor.

"You must not have a date," she said to him with a sly smirk. "You haven't danced all night."

"You know…you're right! I haven't!" He was a showman, absolutely her equal. They chatted and flirted and swayed for a few minutes. They had forgotten anyone else was there.

"I could feel his cock growing long and hard in his pants," Denise remembered. "My dress was silk–so thin–it was practically like being naked. He could feel me almost like I was naked. And I was rubbing against his hard-on. He knew what was up. I knew what was up. We were smiling and laughing…and then Lara approached, seething. She grabbed my wrist–hard. I was thinking about punching her, but that wouldn't be classy."

The girls laughed. Denise knew how to tell a story.

"…So I let her lead me away from the floor and turned to shrug and smile at Terry as we left, as though to say, 'okay, this will be funny–let's see what happens….'"

Lara dragged Denise into the bathroom. Or rather, Denise–who towered about a foot taller than the tiny cheerleader in her heels–allowed herself to be led. Once there, she let loose. Denise wasn't much listening to her. She was rubbing her wrist where she'd been grabbed and looking at Lara.

"She had these wild green eyes and such a tight, cute body. She was uppity and I could see her hard nips through the black silk of her gown. Her hair was up, pieces of dark hair falling away from her head in wisps–very similar to how I'd worn my hair. Her little butt was like a tiny apple jutting out in her dress. I imagined holding onto it while I ate her box with her legs spread wide. I wondered if Terry did that for her. Then I started thinking about watching that. Man…is there something wrong with me?"

"Ummmmm, NO. Now we're all thinking about it! Go on!" said Larissa.

"As she's talking to me, I walk up on her. The closer I get, the lower she talks until I'm standing almost as close to her as I was to Terry. Her breath is on my shoulder. I can feel her nips through her dress and mine. And just like that, I can smell that she's in heat the way I am and I lean down and kiss her…and then it was ON."

A hot make-out session followed. Denise lifted the tiny Lara to the make-up counter, where the ladies are supposed to dab on gloss before heading out. Her hand slips between Lara's gymnastics-toned thighs. She wasn't wearing panties either. Her pussy was fuzzy on top, her wet lips splayed, her clit vibrating to every one of Denise's touches and pulls.

"Oh my god, your box is so hot and wet," Denise murmured.

"I have never been so glad I was wearing black in my life…." Lara said to Denise with a sigh. The lioness had become a kitten.

"She was purring, literally, in my ear," Denise said with a smoky, slightly evil laugh. "And when I asked her if a cheerleader's pussy tasted like sugar, she whimpered and opened her legs wider, her body begging me to eat her twat."

"Show me," Denise said, standing back. And just like that, the

haughty head cheerleader, the sexy teen bitch, lifted her dress, spread her legs and revealed her pussy, her bald box, with the expensive shoes her mommy bought her waving around in the air. She was a nervous girl, auditioning for her first porno movie. It turned Denise on. So she decided to move in for a taste.

"Oh, she

"I sucked on each of her lips for a minute or two, watching her clit grow bigger, feeling her body tense tighter and tighter."

was sweet," Denise told us. "I sucked on each of her lips for a minute or two, watching her clit grow bigger, feeling her body tense tighter and tighter. I slid my longest finger all the way up inside, watching it disappear into her hole and when I put my lips on her button, she grabbed the back of my head and was mewing, almost like a kitty–and I was lapping her up like milk, making noises, too–nom, nom, nom–and then the door opened and there was Terry.

"I turned and looked at him and just mouthed the words, 'Fuck me,' and went back to what I was doing like a boss. He lifted up my dress and had his big, fat quarterback's dick out in 10 seconds. He even spread my pussy lips a little, to make sure I was wet, which I was. I mean, hello? Did he SEE me eating his girlfriend's box? And then he slid it in, slow and deep.

"I reached down and began circling my clit with my finger, mimicking what I was doing with my tongue on Lara's pussy, and as his thick prick began filling me up I felt the sensation rising in Lara and in me…and poor Terry, he was an 18-year-old jock participating in and watching a live sex show. He only had about a minute in him, if that! We all came at once, shuddering and moaning, Terry yanking his crank out and spraying his stuff all over the tiled wall rather than on our dresses. Gentleman that he is, he even had the decency to clean it up."

The drama was buzzing for the rest of the night of course.

"And instead of the two of them getting that traditional after-party room, it was the three of us. I haven't had as much fun since. Although I kind of miss hating on Lara. She loves me now. I even got her to grow a little blonde muff for me."

Il Profesore

"Jeez," said Larissa. "My story seems kind of boring now. I almost want to go to the bathroom here and touch myself after that!"

"Me, too," murmured shy Kacey, whispering down into her latte. "I'm super horny!"

"I still want to hear it," Denise said. "I'm wondering if your muff is orange like your hair."

Larissa blushed beneath her freckles. "It is." She was staring into her cup now, too. I was wondering if the three of them would be getting a room. And imagining what that scene might look like.

"Well, better tell the story," said Kacey, desperate to break the tension. We all sighed.

"My Dad is from Italy, and even though I grew up in a house where Italian was spoken all the time, mine could use improvement. I was too interested in being like my American friends growing up and let my Italian lapse. So regrettable. Anyway, I want to get it back. I'm more than halfway there. So to prep for my Italian elective in the fall, I decided to take a language class over the summer at the local community college."

"Oh, shit," said Denise. "I see where this is going. Is he hot?"

"SO HOT!" said Larissa.

"Wait…who?" Kacey hadn't caught on yet.

"Her Italian professor!"

"Ohhhhhhhhh! That IS hot."

"His name is Professor Russo; he's from Firenze–that's Florence–and he's tall, dark and handsome with a sexy accent. And he's 40."

"Mmmmmmmmmmm. Sounds sexy," said Denise.

"The second I saw him, I knew I had to have him. I wear a lot of '50s-style clothes…." Indeed, on this day she looked like a retro dream straight out of *Mad Men* with a clingy, swingy flowered dress hugging a curvy, sexy body. For very obvious reasons, I couldn't stop imagining that delicious orange box, framed in retro garter belts and lace….

"And so the second week of class, I started sitting in the third row of the teaching auditorium–front and center and right about eye height–and I stopped wearing underwear to show off my pussy."

"I want your phone number after this," said Denise.

Larissa laughed, emboldened by the compliment. She went on.

"The first time I opened my legs so he could see it, I saw him almost shake his head, like he didn't really think he'd seen what he thought he'd seen. Then he looked again. And every time he looked, I got my own little electric thrill. Then he looked at my eyes for a moment. Just long enough so that we could establish that yes, I was flashing my cunny and yes, I was doing it on purpose and yes, it was getting me hot knowing he was looking at it."

"That is hot," Denise said.

"And it made me bold. I'd ask questions. He'd answer. His accent

Lizzy, you little slut! What are you doing taking your clothes off outside?

"I'm enjoying the weather! I live in Florida so it's pretty much always hot here. If we get a cold front it lasts for like two weeks in January and the temperature only gets down to like 50 degrees. That's why people dress so scantily here. It's too hot to be covered up! It's the end of the summer now and I wanted just one more day to relax, get naked, and do nothing outside before I'm busy with lots of schoolwork and studying. Who knows…I might even rub one out if the wind blows the right way on my nipples and clit. It'd be fun if I could have a sexy guy here to have some fun with me, but I like my time alone too."

Are you afraid of being seen?

"No. I think anyone who gets naked outside wants to be seen. I'm not ashamed of my body, and if someone were to get turned on by spying on me out here that would turn me on too. I go to the nude beach sometimes and I love all the eyes on my body."

How do you like to play with your pussy?

"I like to start off by gently rubbing the outside of it. Then as I get more and more turned on I'll start playing with my clit and my inner lips. I'll keep rubbing my clit in circles and applying more pressure the hornier I get. I don't stick my fingers in until I'm already wet and close to cumming. Then I stick my fingers all the way in so I can cum."

You are hot, Alex! Tell us some of your fantasies.

"One of the fantasies I keep having is about hooking up with a teacher, but not a male teacher. I want to eat a really sexy, voluptuous female teacher's pussy. I imagine her being dominant and pulling up her pencil skirt and tearing open her pantyhose and telling me to eat her pussy. She has a a fluffy but trimmed bush that smells delicious."

So are you bisexual?

"Yes. I love both men and women. I've had a few sexual encounters with girls, and I've really enjoyed those. One of my favorite times was with an ex-girlfriend who was into biting, spanking and hair-pulling. I liked that. She used a few toys on me, too."

What kind of things turn you on? What makes your pussy wet?

"I'm an exhibitionist so I like to show off and be watched. I'm also kind of submissive and like to be told what to do. That's why I think about my sexy teacher fantasy so much. There's something about a big-titted woman with authority telling me exactly how to munch her carpet that turns me on so much. The same thing goes for men. A sexy older guy telling me exactly how to suck his cock and then demanding that I tell him how much I like him pounding my pussy makes me so freakin' horny."

What's the secret to that big load Megan gets all over her face?

Yes, she is beautiful. And yes, she is good at sex. But the secret of her allure, at least in this instance, is in her scent. "I love coming home from cheerleading practice and fooling around with my guy. I like it when we're both unshowered and have our natural scent going. He puts my panties on his face while I suck his cock, then he eats my pussy so he can enjoy the full flavor. Then we have hot, sweaty sex until my whole bedroom smells like pussy and cum!"

What was your first time like?

"My first time was actually at an all-girls sleepover party with a very cute brunette. We kissed and did oral in a room surrounded by a bunch of sleeping girls. would turn me on. Sometimes, if whatever he said made me feel sexier, I'd open my legs just a teeeeeensy bit more so he could see it better."

"And what happened?" asked Kacey. "Did you go straight to his office to fuck, or what?"

"Nothing happened."

"NOTHING!?" they said together.

"No. For four weeks I'd do this. Every time. I'd wear different skirts, different sexy shoes. One or two times I wore lacy crotchless boy shorts and near the end of the semester, I shaved a bit away from the inner part of my pussy lips, so that if I spread them just right, I knew he'd get a peek at the wet, pearly pink inside. But he wasn't budging. I couldn't take it anymore, so one day after the class was over, I decided to pay him a visit during his office hours."

She walked in and he stood up at his desk. They didn't speak a word. She shut the door behind her. He came around, locking it and eased her up on the desk.

"He put me up there and lifted my skirts, all my petticoats, arranging them around my cunny like he'd been thinking about it for a month–which I guess he had. For the occasion, I wore gorgeous lacy, white briefs without a crotch. It frames my fluffy-red box so nicely. And then he just dove in, smelling my cunny, which was an incredible turn-on. In Italian he told me about how he'd imagined I'd smell and taste and then he began to eat me like I was a dish in a five-star restaurant, licking and sucking and oooooh, the finger-fucking. Like a maestro! I came like I was a high school boy. In a minute or two. No one had ever done me like that.

"By then I was so ready for cock. I was so wet and slippery and turned on that his dick just slid right inside of me, but his cock was so fat that my walls still felt tight and stretched around his pole. He pumped me like two times and I pulled him close to me and had another writhing cum.

"And we've been seeing one another ever since. Cheerleaders don't turn me on. Neither do jocks. I like big brains. And, it turns out, big, fat, uncircumcised Italian cocks."

Hey, Skye. You look like you're into grooming. We wouldn't have guessed that you had hair down there.

"I used to be all about shaving and waxing my pussy, but I got tired of it. It's nice being smooth and bald down there, but it's such a mission to take care of. And you know, I've come to realize that most guys really don't care if a girl has hair on her pussy or not. Plus, pubes are making a comeback! So I decided to just let it grow. I had a landing strip before, but now I want a full, luxurious bush that I can run my fingers through. I've never let my bush grow out fully."

You have a thong tanline. Are you gonna shave for that?

"Not for a while. I'll probably avoid being in a bikini or a thong for a while so I can let my bush get nice and thick. Then once it's grown out fully I'll probably shave my bikini line."

How do the guys you hook up with feel about your new pubes?

"Pft. They don't care. As long as my tits and body still look nice and I'm giving them pussy they're happy as clowns. One guy is even excited to see me with a bush. The other ones barely even noticed. It's funny; the guys don't care but a couple of my girl-friends are like, 'ew.' I converted one of them though. Now we're having a contest to see who can grow their bush first."

And one time I did use the hula hoop to masturbate. I was doing a trick where you swing it around one of your legs and I accidentally bumped my pussy with it and it gave me an idea. "You know cheer practice even used to sort of turn me on," said Denise, thoughts still on her days as a cheerleader. "There was always this hot feeling that people were watching us–the boys, the teachers and so forth. We were cheerleaders. It's almost cliché sexy."

"I hated everything about being in the gym," said Larissa. "Having to change clothes, getting sweaty, the

physical fitness test…."

"Oh, I hated the physical fitness test!" Kacey squealed, laughing.

"Me, too!" said Larissa. "All those sit-ups? Brutal!"

"I dunno…" said a thoughtful Denise, "remember how someone would have to hold your feet down? Her head would be between your knees half the time and you'd be pumping away? That's sexy…."

"You think everything's sexy 'cause you're a sex maniac!" Larissa joked.

"Maybe, but come on, what about climbing the rope?"

We get the feeling you're not as proper as you look, Vanessa.

"You're right. I dress like a good girl, but I don't act like one. I do my best to keep my grades up at the university, but it's hard with so many hot guys around. During the lecture all I can think about is sex."

So how do you like to act naughty?

"I'm always trying to think of new kinky things to try. For a while it was not wearing knickers under my skirt and flashing professors or cute guys in my class. I rode a professor in his office once during work hours. People knocked on his door, but he was too busy slamming my twat on his cock to answer."

Do you always dress in a schoolgirl uniform? Do you get off on that?

"Not always, but often. I love the look of knee-high socks with a pleated skirt and white button-down shirt. I guess I like to trick people into thinking that I'm a nice girl, especially guys that I plan to shag. They think I'm a teacher's pet and a Goody Two-Shoes. But then when we're alone I let the slut out and they see how cock-hungry I really am. I love the look of surprise on their face."

BACK TO SCHOOL

Continued from page 76

"Oh, the rope. Yes." Kacey gasped.

"See? No girl could resist the friction of the rope," Denise said.

"Guys. I think I found my story," Kacey said.

It was a Saturday morning. Not your typical school day, which Kacey admitted probably would have prevented the whole incident from happening. Hardly anyone was around.

"During my senior year, as part of my 'transformation,' I joined the cross-country team," she explained. "They were mellow girls," she explained, "and it wasn't a super-competitive group. Our coach was more about physical fitness and getting us into good habits, which was perfect for me. I'm still a runner and I find that runners mostly compete against themselves, trying to best their own records for time or distance than anyone else's."

"Back on track, please?" said Denise, smiling. She was eager to hear shy Kacey spill the story.

"Right," Kacey laughed. "The point was, we had Saturday-morning practices sometimes because we didn't have to worry about it getting dark."

Not everyone showed up for these, though, due to other commitments, whether it was driver's ed, cheerleading for a football game or just being lazy on a weekend. That morning, it was just Kacey and two other girls: Joss and Kelly.

"We went out for the usual five-mile run. I'm slow, so I ended up back at the gym about 20 minutes behind them. I walked in and there was Joss, five or six feet up that giant knotted rope hanging from the ceiling. You know, the 'easy' one for the kids who can't climb the un-knotted one…?"

"And….?"

"Well, Kelly's standing there at the bottom and she's sort of pulling the rope out at an angle and Joss is–well, she's riding the rope."

"OMG," chimed Larissa, "like masturbating on it?"

"YES!" Kacey exclaimed. "The gym lights were off, everything was locked up except that one side door I came in and she's up there oohing and aahing and Kelly's just watching. She's lightly touching herself through her shorts with the other hand. I can see the cleft

of her pussy lips through the material. It was sexy. It turned me on. But I was totally in shock, so I just slipped into the locker room and left them alone."

Except that Kacey couldn't get it off her mind.

"Once I was in the shower, with all that heat and steam and my body wash, I was rubbing my loofah all over my pussy, soaping it up, getting it clean and hot and juicy all at the same time. Before long, I had dropped it and was just working my box with two hands, holding my lips apart with one, rubbing my button with the other….and then I screamed!"

"You came?" Denise asked.

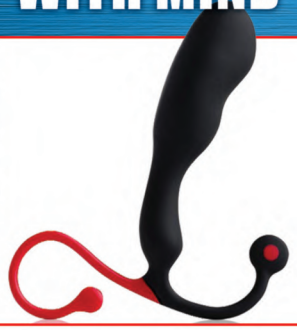

"No, I screamed. Because all of a sudden four hands were on me!"

Joss and Kelly had slipped into the shower room, as well; Kacey was too distracted to notice.

"They scared the you-know-what out of me!" she giggled, "but MAN, were they worked up. I had barely recovered from my heart attack before Joss was behind me, soaping up my titties and Kelly was on her knees between my legs, face buried in my tiny blonde bush."

Kacey, again, was too shocked–and turned on–to say a word. With Joss holding her steady, she succumbed to the intent of her horny teammates. "And it was, I should add, the first time anyone had ever eaten me out,

"Kelly…buried her face in my mound."

boy or girl! Kelly–who I later learned likes girls on a full-time basis, not just for fun–was about the best first time I could ask for…."

Hungry to taste the honey dripping from Kacey's freshly laundered lady parts, Kelly signaled for Joss to ease her down onto one of the benches, handing Joss the removable showerhead to do some work on Kacey's wanton and willing body.

"It turned into a locker room sex spa," Kacey said. "Joss put a rolled up towel under my head, Kelly cupped my ass in her hands and just buried her face in my mound, tonguing my hole and sucking my clit while Joss teased my nips with her tongue and let the shower massager work over my sore muscles. I played a little, too, touching her breasts, tasting the nipples of her A-cups. I was nervous and it felt odd, but super sexy."

With Kelly's practiced lezzie lips "in the spot," it was only a couple of minutes before Kacey's mouthwatering munch box was creaming all over that eager tongue.

"She lapped it up," said Kacey, a little breathless from the memory. "And I haven't met a boy as hot for my cunny yet… Though I do intend to keep looking! Maybe I'll find him at school this year–who knows?"

"Go for a professor," Larissa advised. "And lose the panties." The three erupted into girlish giggles. 18

ALINA
Hidden Nerd Bod

Alina proves you shouldn't judge a book by its cover.

What does Alina have going on under her tie, long-sleeved shirt and sweater vest? A hot body which she shouldn't be afraid to show off! This guy must have sex-ray vision because he sees through Alina's nerdy facade to the hot, horny girl hiding underneath. She disrobes to reveal a tight body that's about to get manhandled. The first thing that gets put to work is her mouth. During all her studying she must've looked up how to give amazing blow jobs because she gets face-fucked and deep throats like a seasoned dick-hungry slut.

This lil' nerd lets loose on that long cock!

Alina is clearly having a good time as this guy pounds her pussy with her on top. She moans and talks dirty and asks for her hair to be pulled. And nothing makes her squeal quite like doggie. Check it out in *Fuckin' Nerds 2*, available on page nine.

I have a different look now with my glasses and preppy clothes, but I tell guys not to be fooled into thinking I'm a total nerd, because I'll still suck their cock in an empty classroom.
